

## **RHMS COVID Procedures (Positive Results and Quarantine Time)**

*Student inquiries should go to the school Nurse (Regina Smith)*

*Teacher and Staff inquiries should go to HR (Teresa Lakey)*

### **Teachers and Staff:**

\*\*All test results and quarantine time (Physician Notes) will need to be submitted to HR (Teresa Lakey).

\*\* If you test positive for COVID, results should be submitted to HR and you will stay home for 7 days. You will return after the 7 days and if you are symptom free.

\*\*If someone you live with tests positive for COVID you will stay home for 5 days, however if you want to return before the end of 5 days, and have no symptoms, you must submit a COVID test with negative results to HR. **(If you come into contact with someone outside of your home that has tested positive, you may return to work if you are symptom free).**

\*\*We do not accept home tests.

### **Students:**

\*\*All test results and quarantine time (Physician Notes) will need to be submitted to our School Nurse (Regina Smith).

\*\*\*If you test positive for COVID, results should be submitted to the School Nurse, and you will stay home for 7 days. You will return after the 7 days and if you are symptom free.

\*\*\*If someone you live with tests positive for COVID you will stay home for 5 days. If you would like to return before the end of 5 days, and have no symptoms, you must submit a COVID test with negative results to the School Nurse. **(If you come into contact with someone outside of your home that has tested positive, you may return to school if you are free of symptoms).**

\*\*We do not accept home tests.

\*\*Students, Teachers and Staff should notify the school nurse or HR if you experience any symptoms that could be COVID related, either before you come to school or during school hours.

\*\***Any Physician orders will supersede.**
